MAD MAX Expansion:

We may expand to Tonchain and later other chains.

In case we expand to TON Open Network, we let it open whether it will be a parallel project or the original coin split (in amount).

contract address Ton: follows

Troubleshooting:

Possible Problems: **Increase allowance error:**

1. Go on [Ide.zilliqa.com](https://ide.zilliqa.com) call the Token address contract.
2. Get the contact address of the Swap (MamboSwap, zillal.com, [zilswap](https://zilswap.com))
3. ON Ide having the Token contract, choose Increase allowance, paste the swap contact in the spender field
4. In the amount field put an huge amount with at least 35 zeros (the decimals are included there, and they can take 18 zeros already).
